CALL FOR AFRICA NUCLEAR MENTORSHIP

WE NEED HELP WITH

- Collaborate in structuring the mentorship.
- Coordinate regular meetings (to be mutually determined by mentor and mentee) to discuss crucial steps and strategies for successful graduate program applications.
- Guide searching for information about graduate schools, research labs, professors, and scholarship opportunities.
- Offer constructive feedback on the mentee's CV, statement of purpose, study plan, cover letter, school and lab selections, and more.
- Review and offer application insights before submission
- Share feedback on your mentoring experience to help enhance the program
